

**11th International & 2nd  
North American Symposium  
on Landslides**

**June 3-8, 2012  
[www.isl-nasl2012.ca](http://www.isl-nasl2012.ca)**

## **Exhibitor Information & Order Form**

### **Come Join Us for ISL/NASL 2012 Banff, Alberta, Canada**

The Canadian Geotechnical Society, the Association of Engineering Geologists and the Joint Technical Committee on Landslides (JTC-1) invite you to promote your company as an exhibitor at the **11<sup>th</sup> International Symposium on Landslides (ISL)** and the **2<sup>nd</sup> North American symposium on Landslides (NASL)** at the Fairmont Banff Springs Hotel, in Banff, Canada from June 2 to 8, 2012.

The 1<sup>st</sup> North American symposium in 2007 in Vail, Colorado was very successful and sold out exhibitor space. **ISL/NASL 2012** looks to be just as popular featuring a comprehensive 2-day trade show for suppliers, consultants, government and other firms wishing to demonstrate their products to geotechnical practitioners specializing in landslides and associated geohazards.

The trade show will open on the evening of Sunday, June 3, 2012 for the "Meet and Greet" Exhibitor Reception and will run through until the afternoon coffee on Tuesday, June, 5, 2012. The trade exhibition may be limited to 32 booths on the main ISL/NASL 2012 function floor at the Fairmont Banff Springs Hotel. All breaks and lunches on Monday and Tuesday will be held in the trade show to maximize exposure to delegates.

Exhibit space allocation will begin in late 2011 when the trade exhibition space layout is finalized with the hotel and will be determined by registration priority based on booking and payment confirmation dates:

- Assignment priority will be given to exhibitors who are also sponsors;
- A booth reservation will not be confirmed until full payment has been received.

To book your spot, please use the form on the following page of this information package. Should you have any questions or for more information, please contact:

Lisa McJunkin  
Conference Administrator
